385 Liter

Preisübersicht

Grundpreis	95.882,35 €
Ausgewählte Optionen	33.626,16 €
Mwst. (19 %)	24.606,62 €
Gesamtpreis ^[2]	154.115,10 €

These values reflect your current configuration. If you change the equipment, these values may also change. From September 1, 2018, vehicle tax will be calculated based on the determined WLTP values. Further information about the E-license plate is avail-

apple from your BMW dealer.

[1] Third-party partner offers are invoiced directly by the third-party partner.

The prices quoted are non-binding manufacturer's suggested retail prices including VAT and excluding installation costs.

[2]

The prices quoted are non-binding manufacturer's suggested retail prices including VAT and excluding delivery costs. Subject to change and errors. Scope and combination options may vary. Your BMW partner will be happy to provide you with binding information.

If leather is selected, the seat surfaces are made of leather. Other components may be made of leather or other materials.

Mild hybrid technology recovers braking energy and assists the combustion engine with electric drive power during acceleration.

This reduces fuel consumption and emissions while simultaneously providing a dynamic advantage. Mild hybrid technology also allows the automatic start/stop function to operate even faster and more smoothly.
